Internships & Training

Cipher school – Java Full stack Development   May 2024 - July 2024
- Learned to develop full-stack web applications using **java**, **HTML**, **CSS**, **JSP**, **JavaScript** and **JDBC**.
- Gained hands-on experience **in building and deploying web applications** with integrated front-end and back-end technologies.

Programming Pathshala – Summer training in C++   Jun 2023 – July 2023
- Gained proficiency in **C++ Programming**, focusing on **object-oriented design**, memory management, and **Advanced data structures**.
- Enhanced debugging skills and worked on real-world projects to strengthen problem-solving capabilities.

Projects

Online Course App | *Kotlin, XML* | View   Mar 2024–May 2024
- Developed a Comprehensive Android Application aimed at enhancing the learning experience for users.
- Integrated features like **GPT AI**, video lectures, course links, PDFs, interactive workboard, calculators, quizzes, and music, catering to diverse learning needs.

Chat Application Clone | *Jetpack Compose, Firebase* | View   May 2024- Jul 2024
- Built a real-time chat application with **user authentication** and **responsive UI** using Jetpack Compose**.**
- Integrated Firebase for real-time messaging and implemented **MVVM architecture** for maintainable and scalable Development.

Recipe App | *Kotlin, XML, Room Database* | *View*   Aug 2024-Sep 2024
- Created a Recipe app allowing users to **browse, search**, and **save recipes**
- Used **Room Database** for local storage and optimized app performance for a seamless user experience.

Achievements

- Solved 350+ coding problems across platforms like **LeetCode**, **CodeChef**, and **Coding Ninjas**.
- Achieved badges on **CodeChef** for problem-solving.
- Secured a 2250 points badges on Coding Ninjas.

Certification &Certificates

- **Java Programming** – NPTEL IIT Kharagpur.   Jan 2024 - Apr 2024

- **Java Application Development** – Udemy.   Apr 2024 - May 2024
- **Solving Problems** - HackerRank.   May 2024 - May 2024
- **Data Structure & Algorithms** - Udemy.   Sep 2022-Oct 2022
